Havana Syndrome Organization

About us:

Havana Syndrome Organization was created to help Victims harassed, assaulted &/or tortured by Criminal Use of Direct Energy Weapons. Our purpose is to:

- Provide support for Victims of Havana Syndrome.
- Research and Investigate the illnesses and injuries of the Victims in effort to HELP find out WHICH Direct Energy Weapons including Acoustics, Microwave and other remote technologies were used to harass, assault &/or torture these Victims.
- Establish a medical facility that treats these injuries.

In the meantime, TIPS:

1. Call police & get it on record if you believe you life is in danger.
2. If you do not feel physically or psychologically well go to your doctor or local emergency room.
3. Get fresh air, Exercise, Eat & Drink healthy, ex. Water, 100% Juice, Milk, Vegetables & Fruit.
4. If financially challenged apply for food stamps &/or welfare, Disability if you are not physically able to earn an income, temporarily. You must take care of yourself.
